

# Ridge Rambler

Volume 6, Issue 1

Summer 1999

## Annual Meeting - Time Changed!

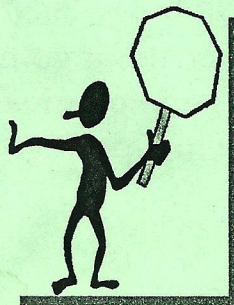

The annual meeting will be held July 17th 1999 at 10:30am at the East Wal-land Baptist Church.

We will be electing 5 new board members. If you are interested in being on the board please let us know. We meet quarterly. Also discussed will be the changing of the security system, upcoming road work, bonding of the contractors and other restrictions.

Please come to the annual meeting and take an interest in the development of Saddle Rige.

Speed Limit 20mph

Once again, Please Slow Down!!! There are several people that are walking daily. They and their four legged friends would rather not take a dust bath or worse lose a friend. Please also remind your contractor the speed is 20mph.

## DUES STATEMENTS

The road maintenance and dues statements are being prepared and should be in the mail before the end of the month. We know what the road maintenance money is for but your dues goes for the cost of the newsletter (paper, postage, envelopes, printing), this last year we purchased the computer and accessories, and any legal fees that we may incur.

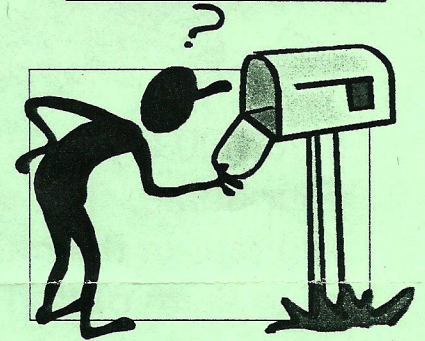

Please, your dues are not mandatory like your road maintenance but are important so we can keep everyone informed. Thanks.

## Changing Your Address or Selling

Please be sure to notify us if you move or even if you sell your property. We are trying very hard to keep you informed on the changes and happenings here at Saddle

### Combinations

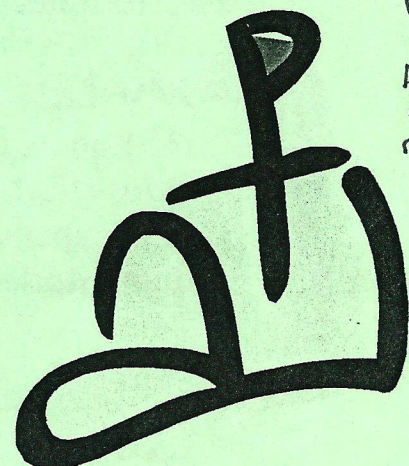

July	2981
August	8746
Sept.	3950

## Mail Boxes

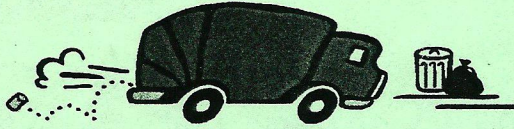

Juanita will have a small supply of mail boxes for sale at the office. Due to the rapid growth and to keep the mail boxes looking some what alike we have chosen 2 types of boxes. The Rubbermaid book size box and the standard mail box - both in BLACK. Have a question, please see Juanita!

\$3.99/2  
207-23

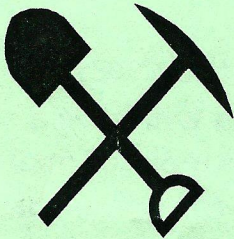

**Road Signs** A BIG THANKS to Charlyse Kerr for the outstanding job she has been doing on painting the road signs. She says that she will be finishing when she can find the rest of them. We can understand that.

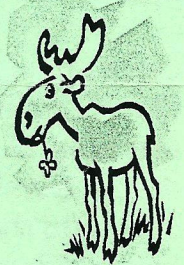

**Trash Removal** Our change in trash removal seems to be working well. The cost is \$60.00 a year at present. You are billed when you break ground for your home. This way the construction crew can put their lunch sacks and cans in the trash (not construction material). You might want to remind them of this!

**Work Day** Our spring work day was a great success. Several areas were cleaned up at the gate, including cleaning the mail boxes (Thanks Jeanette!). A welcome treat was provided by Barbara Clinansmith - fresh muffins and juice.

Thanks to all the others that showed up to help. Our next work day is scheduled for Sept 25th at 9:00am. Come by and meet your neighbors and see old friends.

**Elk Update** Thanks to those who have contributed to the Elk Fund. Contributions are still needed and being accepted. Three Elk were purchased and a pen was built. Unfortunately the females decided the grass was greener on the other side and made a break for freedom. The male decided life without females was bad so he got out. The last time I looked we had a male and female. For more on this story contact Jack Davis.

**My Last News Letter** Nancy Cain has willingly said she will do the honors for awhile. Unfortunately for me this is going to make my previous efforts look bad, as Nancy has quite an impressive background in newspaper work. Thanks for bearing with my spelling, typing errors and dumb stories.
