

Notice – October 22, 2012

Saddle Ridge Property Owners:

The SRPOA board would like to offer several updates of interest to SR property owners.

1. We have not seen the tree trimming crew being sent by Alcoa Electric yet. We are told of a delay, but work is planned before winter.
2. Work continues on the roads in Saddle Ridge. This will be a continuous process, and we ask you to ‘please excuse our mess’ as we continue to work to improve the roads. We are aware that many of your driveway entrances are impacted by the work, and in correcting that impact we are offering to groom the remainder of your driveway at the same time. If you are interested, please e-mail Darin Suggs at darin.suggs@me.com or Perry Burchfield at perryburchfield@comcast.net.

We would also like to give two appreciation notices.

The Saddle Ridge Hospitality committee organized a “Weiner Roast” on Saturday, October 6, 2012. Barbara and Jim Clinansmith graciously hosted the event at their home due to inclement weather. We had a lot of participation and enjoyed a fun evening. Most importantly our property owners donated more than five large boxes of supplies for Walland Elementary School, as well as almost \$300 of cash donations. Many thanks to the committee for organizing this event, and to all of our generous property owners. We know that the staff and students at the school appreciate you, as well.

With the transition in the maintenance of our roads in Saddle Ridge underway, we would like to recognize the contributions of the previous members of our Road Crew. Lead by Bob Hood, members Jim Clinansmith, Bob Frink and Cortney Stafford, gave countless hours of sweat, toil and brainpower to keep our roads safe for travel. The property owners of Saddle Ridge owe them a debt of gratitude. Please let them know your appreciation personally when you see them.
