

Notice – December 14, 2012

Saddle Ridge Residence Owners:

Thank you for your enthusiasm for the self-financing for our lake lot purchase. We have achieved our goal! We did not have more than twenty residents make share requests, so that a lottery is not necessary. The residence owners who have made share requests will be notified individually.

Thanks to all of you for your support. It is that support that will allow us to do great things in the future to make Saddle Ridge the best place to live in East Tennessee.
