

# Saddle Ridge Property Owners

Saturday, May 18, 2013 at 0930 a.m. is a  
day of Dedication and Community  
Service!!!

## FLAG DEDICATION

Join the Welcome and Hospitality Committee for refreshments at the lake area near the gate, leading to an initial flag raising and dedication at 1000 a.m. We will be honoring those who serve and have served our country, preserving the freedom and liberty we enjoy as a result of their sacrifice.

## ROADSIDE CLEANUP:

Following the ceremony, lead by the Beautification Committee, volunteers will be asked to work in groups to clear the roads of Saddle Ridge of trash and tree debris caused by storm damage and our harsh winter.

Please join us as we honor our country and the men and women who serve us in our military, and stay to help us improve the safety and beauty of our roadsides in Saddle Ridge.
