

## Saddle Ridge Property Owners Association

### Tractor Use

- The tractor will be used on Saddle Ridge property only. It is not for personal use on any community member's property.
- Volunteers must be trained on the use of the tractor. Lamar Stumpf or other Board-approved person will conduct the training. How much training and the specific type of skill training will be determined by Lamar (or other qualified trainer).
- Volunteers must sign a release stating that the volunteer has completed the training and agrees to follow all the safety rules.
- The tractor must be checked out from the Equipment Chair, currently Dave Glarner. The Equipment Chair will hold the key.
- The work done must be approved by the Road Chair, currently Keith Shuster.
- The tractor must be parked at the barn at night.
- A log of use and fueling will be kept.

Approved by the Saddle Ridge Property Association Board and to be given to volunteers after training and when they sign the release form.
